M.SC. IV Semester Course, September/October 2022
Paper STP 556: Project Report

SLN	Student Name	Register No.	Project Title	Project Guide
1	Abhishek	201691406101	Statistical Study on Cirrhosis Disease	Ms. Preethi Jayarama Shetty
2	Adithya S	201691406102	Study of Precipitation Variations in the presence of Multicollinearity and Autocorrelation and Forecasting	Ms. Preethi Jayarama Shetty
3	Akshara N S	201691406103	Statistical Study on Diabetes	Ms. Sukshitha R
4	Akshay Hegde	201691406104	Dobutamine Stress Echocardiography	Ms. Poornima
5	Ankitha K	201691406105	Effects of Distance Measure choice on Performance of K Nearest Neighbour	Mr. Sathyanarayana
6	Anusha	201691406106	Statistical Analysis on Stroke Prediction	Mr. Sathyanarayana
7	Asha	201691406107	Prognostic Analysis of Heart Disease	Ms. Poornima
8	Ashima Alphonsa K	201691406108	Imbalanced Multiclass Classification with Glass Identification	Mrs. Prajna R
9	Aswini P V	201691406109	Statistical Study on Heart Failure Prediction	Mrs. Prajna R
10	Bhoomika	201691406110	Statistical Analysis on Palladium, Brent oil and Natural Gas Price	Mrs. Prajna R
11	Deeksha A	201691406111	Prediction of Metabolic Syndrome	Ms. Preethi Jayarama Shetty
12	Deepthi A	201691406112	Lung Cancer Prediction and Risk Level Classification Using Supervised Algorithm	Mr. Sathyanarayana
13	Glanish Periera	201691406113	Study on Multivariate GARCH Model	Dr. Harsha S

14	Kavya P V	201691406114	Statistical Study on Chronic Kidney Disease	Ms. Poornima
15	Mahesh P	201691406115	Predictive Analysis of Stock Market Prices Using Neural Network	Dr. Harsha S
16	Murali Manohar Shriyan	201691406116	Water Management using Time Series Analysis	Mr. Sathyanarayana
17	Nischitha N	201691406117	Statistical Analysis on Factors Influencing Life Expectancy	Mr. Sathyanarayana
18	Nishmitha J	201691406118	Statistical Analysis on Tomato Price	Ms. Poornima
19	Nithin D S	201691406119	Statistical Study on Prediction of very Low Birth Weight Infant	Ms. Preethi Jayarama Shetty
20	Prajna I G Bhat	201691406120	Predictive Analysis of Air Quality Index	Ms. Sukshitha R
21	Sherin Jacob	201691406121	Bank Customer Churn Prediction	Dr. Harsha S
22	Shreya Mahesh Chandra	201691406122	Study on Vector Autoregressive Model and Forecast	Dr. Harsha S
23	Siddarth V	201691406123	Financial Time Series Analysis on Apollo Hospital Stock Price	Ms. Sukshitha R
24	Stephil M P	201691406124	Applying Data Mining techniques to classify Patients with Suspected Hepatitis C Virus	Ms. Sukshitha R
25	Sukesh K N	201691406125	Prediction of Employee Attrition using Machine Learning	Dr. Harsha S
26	Vinitha Serrao	201691406126	Least Square Ratio Estimation in Econometrics	Mr. Sathyanarayana
