

MANGALORE UNIVERSITY

M.SC. GEOGRAPHY PROGRAMME

Sl. No.	Name of the student	Register number	Title of the project	Name of the Guide
1.	ANANDHU SREENIVAS	193131421	Micro level change analysis and development around Mangalore University Campus: Using Geospatial Technology	Dr. Dasharatha P. Angadi
2.	ANGEL VARGHESE	193131422	An assessment of spatio temporal change in land use land cover pattern of Udubanchola Taluk using Remote sensing and GIS techniques	Dr. Dasharatha P. Angadi
3.	ANUSREE K. V.	193131423	Changing Cropping Pattern and its impact on land degradation Kasaragod District: A Geographical Study	Dr. Dasharatha P. Angadi
4.	ARCHANA P.	193131424	Demographic Characteristics of Ottapalam tauk – A geographic Study	Dr. Dasharatha P. Angadi
5.	ASWATHI A.	193131425	Solid waste management in Kasaragod city: A Geographical study	Dr. Dasharatha P. Angadi
6.	ASWATHY G	193131426	Community based tourism and its impacts on environmental in Kumarakom: A Geographical Study	Mrs. Anusree M.
7.	ATHER AZIZ AHANGAR	193131427	Demographic structure and its characteristics in Kupwara District Jammu & Kashmir: A Geographical Analysis	Mrs. Anusree M.
8.	BHARATHESH P.	193131428	An assessment of cropping pattern in Muliya Panchayat: A geographic analysis	Mrs. Anusree M.
9.	DIVYA V.	193131430	Groundwater potential pattern and conservation measures in Kasaragod block: Using Geoinformatics	Mrs. Anusree M.
10.	HARITHA C.	193131431	Impacts of Endosulfan on human and environment in Kasaragod district, Kerala: A geographical study	Mrs. Anusree M.
11.	HARSHADEEPA C.	193131432	Site assessment study covering waste management and socio environmental issues of Njeliyanparambu in Calicut district: A geographical probe	Ms. Deepika Devaramani
12.	JINCE THOMAS	193131433	Women work participation in Kannur District: A geographical Approach	Ms. Deepika Devaramani
13.	KRIPA JACOB	193131434	Socio economic and environmental status of Munroethuruth Panchayat, Kollam District: A geographical analysis	Ms. Deepika Devaramani
14.	KRISHNASRIPRIYA P.	193131435	Problems and prospects of Cashew crops in Kasaragod district: A geographical Approach	Ms. Deepika Devaramani
15.	RAJINA V.	193131436	An assessment of demographic changes in Kasaragod district: A geographical probe	Ms. Deepika Devaramani

16.	RAMALAKSHMI A.	193131437	Estimation of shoreline change and life threat due to coastal erosion, A study on Mangalore coast: Using remote sensing and geographic information system	Mr. poojith Kumar D. P.
17.	RESHMA K. R.	193131438	Monitoring land use / land cover change in Mannarakkad Taluk, Kerala using geospatial technology	Mr. poojith Kumar D. P.
18.	SANDRA T. C.	193131439	Applications of geospatial technology in ground water potential zonation mapping of Kolar tauk, karnataka	Mr. poojith Kumar D. P.
19.	SHRUTHI M.	193131441	An assessment of flood vulnerability mapping of Karnataka using geospatial technology	Mr. poojith Kumar D. P.
